

HIGH-PERFORMANCE, CUSTOM PACKAGING SOLUTIONS FOR MISSION-CRITICAL ENVIRONMENTS

K. K. Nag Private Limited is a trusted pioneer in advanced polymer solutions, proudly serving India's evolving needs since 1965. As the first company in India to mould Expanded Polypropylene (EPP) and a leader in rotational moulding for over two decades, we specialise in creating rugged, mission-ready packaging systems for critical industries including defence.

Backed by decades of innovation and engineering expertise, we continue **#KKraftingPolymerPossibilities** that stand the test of time, terrain and tough conditions.

Rotomoulded Low Linear Density Polyethylene (LLDPE) Protective Hard Case

- DGQA approved
- UV Stabilised for outdoor use
- Lightweight design
- Waterproof
- Completely customisable
- Handles and wheels for easy portability (optional)
- Military STS 810G Compliant

Tested for :

- » Temperature resistance (-20°C to 55°C)
- » Bumps
- » Drops
- » Vibrations
- » Stacking
- » Flame resistance
- » IP 67 (protection up to 1m water depth and dustproof)

High Volumetric Efficiency

- Customisable one-piece design
- Snug and safe fit
- Lightweight
- Highly durable
- Fire retardant (*optional*)
- Cost/weight and volumetric efficiency
- Chemical resistance
- Water resistance
- 100% recyclable

Designed to Ensure Secure Packaging, Storage and Transport of:

- Ammunition
- Communication equipment
- Drones
- Sensitive electronic equipment
- Small and medium calibre weapons
- Other military equipment

Location:

Gat No. 393,
At & Post Urse, Tal. Maval,
Dist. Pune 410 506, Maharashtra, India
